

14th January 2010

Dear Parents,

Just to update you on a meeting that I had on Tuesday with the Headteacher at Oakhill School (Mrs Paxton).

Oakhill School has been earmarked for some BSF (Building Schools for the Future) funding and as such building work will commence on 24th January 2011.

Mrs Paxton has asked the contractors not to deliver or block the road from 8-15 am to 9-30am and between 2-30pm to 4-00pm. I am to be given the relevant contact numbers to inform contractors should there be any problems, so please let me know if you experience any difficulties and I will pass this on.

The contractors will be parking their cars on the Oakhill site using the gate opposite our main entrance (the one we use for Sports Day). Our parking in the bays and on the road should not be affected but be aware that contractors cars might be in and out. This work should be completed by September 2011.

Maths Evening

I have booked a Maths Evening for Parents on Thursday 10th March 7.30pm until 9.00pm. This will be led by Tim Moss, Staffordshire Maths Advisor.

He will present an evening for parents talking about how we teach Maths in school and show you some strategies. This should be a really informative evening and will pick up on some of the questions you have raised at Parents evenings. Please put this date in your diary.

Yours sincerely,

S. D. Hutchinson

**Mrs S. D. Hutchinson BEd
Headteacher**
