

Advent Prayers

Ciaran - Prep 6

Dear God, thank you for bringing the birth of Jesus and for the celebration of Christmas. Can you help us to be patient for the day when the light of the world appears.

God, please can you help us to prepare for this day so that everyone can see that Jesus is real. You know that sharing is important so can you help people to share on this important day. Amen

Dear Guider, it is now the time of Advent where we will wait for you Lord Jesus Christ. We give you thanks and ask that you make Advent a happy time throughout the world. We need hope and joy in this time of the year, as we wait for the day that everyone loves one-another like I love you. The whole world will share the moment that you were born and when you come again we will rejoice. Amen
