

# Winter Poems by P4MM

## Winter

It's freezing  
Never as cold  
Try to warm up  
Eating your nails  
Really cold!

## Rory

### Winter has come

Icy times.  
Never warm  
Time to build an igloo.  
Every winter there is Christmas  
Remember spring?

## Joel

### Winter is cold but you have fun

Ice skating goes on all over.  
Never go on thin ice.  
Time for Christmas –  
Eat Christmas pudding.  
Remember to put out a carrot for Rudolph!

## Imogen

### Winter

In the winter it is very frosty  
Never to be warm.  
To look forward to spring  
Everyone thinks.  
Rabbits hibernating, still asleep.

## Ewan

### Winter comes

Icicles are cold  
Numb fingers  
Time for snowballs  
Eat turkey  
Remember Jesus.
