Dear Parents,

I am writing with regard to the sickness bug that seems to be becoming rife within the school family.

May I ask that if your child has been sick or experienced diarrhoea that they do not come back into school until 48 hours after the last bout of sickness has occurred.

If your child is feeling unwell i.e. feeling sick prior to the school day, I ask that you keep them off for the day to monitor them; this will help us to contain this nasty outbreak.

Thanking you for your co-operation with this matter.

Yours sincerely

S. D. Hutchinson
