

Sun Awareness

When the sun is very hot, we do ask that you make sure that your child has an appropriate sun lotion / sun screen on and can then bring some lotion/screen in school which is bagged and labelled and given to the class teacher in the morning. Teachers will then ensure that these are correctly reapplied by the child as appropriate. Teachers will supervise this application. It is important that children only use their own sun lotion / sunscreen, unfortunately, the school is unable to provide such products. School baseball caps and Legionnaire caps are available from the school office priced at £4.95.
