

24th May 2010

Dear Parents / Carers,

I write with details of our Sports Event scheduled for 14th / 16th June 2010.

Mr Ferris is organising a short sports afternoon of track events for the Prep Department on Monday 14th June at 1.30pm onwards on the Sports Field at Oakhill Primary School (School opposite).

We intend this to be a relaxed, fun event where every child has a chance to take part in a race.

- On Wednesday 16th June from 1.30pm onwards we will be holding a similar event for the Nursery and Pre Prep; again using Oakhill Primary School Sports Field.

Both events are reliant on good weather – If the weather is unpredictable and we need to cancel we will endeavour to make a decision by 12 noon on the day and post an announcement on our website to keep you updated – this will help to keep the school office phone lines free for emergencies.

- *Please ensure that all children have a summer cap and sun screen.*
- *All Prep children should ensure that they have their water bottles in school.*

You are all most welcome to attend.

Yours sincerely

S. D. Hutchinson .
