

He is not here;  
he has risen,  
just as he said.

Matthew 28:6

**Our story is a resurrection story.  
Christ has risen! Christ has risen indeed!**

We come wanting to celebrate  
an extraordinary historical event.  
Be gentle with us as we remember  
that our story has a context.

**Our story surges with life.  
Christ has risen! Christ has risen indeed!**

We come ready to celebrate  
the extravagant welcome of a hero.  
Be gentle with us as we remember  
that the radical inclusivity of Jesus  
wasn't always welcome.

**Our story is an invitation to insurrection.  
Christ has risen! Christ has risen indeed!**

We come with reserve to celebrate  
the exceptional life of a saint.  
Be gentle with us as we remember  
that Jesus asked us to follow.

**Christ has risen!**

**Let the resurrection insurrection begin!  
Christ has risen indeed!**
