

Prep 3 Acrostic Class Prayer

Dear God,

Please take us as we are but help us to develop through Prep 3.

Read our minds and know when we are struggling with our work.

Everyday help us to do our best and to try our hardest.

Please be with us all day and every day both at school and at home.

Teach us to stay on the right path.

Help us to be kind and helpful towards our friends, family and teachers.

Recieve all our prayers.

Encourage us to be brave.

Everyday be there for us.

Amen
