

ST JOSEPH'S PREPARATORY SCHOOL
Part of the Edmund Rice Family

Mrs Leanne Parry

Parent Governor Appointed: 30th November 2020

Curriculum Responsibility: Religious Education / Art and Design & Technology

Occupation: Secondary Teacher

I am currently employed as a teacher in an Edmund Rice Catholic School and I truly feel I have found my vocation. My passion for education and developing personal growth began when I trained to become a swimming instructor while studying for my degree. After spending a handful of years in industry, I knew my true passion lay in education, and so retrained to become a design and technology secondary school teacher. Since then, I have been teaching for over a decade, and while the academic side of this role obviously provides a large proportion of my job satisfaction, it is the pastoral and wider community work I find particularly rewarding.

My role consists of preparing young people for life beyond school and in particular developing their personal integrity, moral values and sense of justice. I dedicate my working life to encourage, support and inspire young people. Since my daughter started at St Joseph's Preparatory in September 2020, I hope to become more involved in the community that my daughter and my family are now a part of. I feel privileged to have been appointed Governor, and I look forward to contributing to, and helping to develop a loving, caring community where children can thrive.
