

ST JOSEPH'S PREPARATORY SCHOOL
Part of the Edmund Rice Family

Mr Gareth McAloon

Appointed as Foundation Governor: Lent Term 2020

Curriculum Responsibility: English and Health & Safety

Profession: Barrister

I am a former pupil of St Joseph's Prep having attended between 1990 - 1998. I then went on to be a student at Denstone College, Staffordshire.

I work as a Barrister at Ropewalk Chambers in Nottingham. I undertake a variety of civil litigation including claims for personal injury and also commercial matters. I obtained my LLB from Keele University in 2009, completed the Bar Vocational Course in 2010, undertook the first of my Masters Degrees at the University of Birmingham in 2012 where I obtained an LLM, and then completed my second Masters Degree, the BCL, at St Anne's College, Oxford in 2013. I was called to the Bar at Lincoln's Inn, London in 2010. I have been practicing as a Barrister from Ropewalk Chambers since 2015 and was appointed Junior Counsel to the Crown in March 2020.

In my spare time, I enjoy spending some quality family time with my wife and our young son. I am (unfortunately) an avid Stoke City fan and a keen cricketer playing at Moddershall & Oulton Cricket Club in the North Staffordshire and South Cheshire League.
