

Prayer by Pre Prep 2

Dear Father,

As we start PP2 help us to do our best in all our work and play.

Help us to behave well with our friends and teachers and to be kind and helpful to each other.

We pray for all the other children in the world starting school who do not have food and drink as we do.

We pray for everyone who is in hospital and is poorly, especially the children who can't be at school today.

Amen
