

## Prayer for the New School Year

Loving Father, thank you,  
We have had time to rest,  
And now we are full of energy.

We have had time to think,  
And now we are full of ideas.

We have had time to stop,  
And now it's time to get going.

Help us all to be the very best we can be.  
Be with us Father we pray as we begin this  
new school year together.

Amen
