

Dear God,

Thank you for our families and all the people who look after us.

Thank you for our school, our friends and our teachers.

Help us to be kind and look after each other.

Help us to realise our mistakes and to forgive one another.

Help us to continue to trust in you and believe in ourselves.

Give us the confidence to have a go at difficult challenges.

Help us to remember what the right thing to do is.

Help Mrs Hutchinson to get better and make a full recovery.

Help us to stay calm when times get busy and to keep us safe.

Amen
